Customs Inspector / CBP Officer

Board Member, JFK H&WF

Timothy "Timmy" Brereton Sr. started his government career with U.S. Immigration & Naturalization Service in 1991 and attended basic training at Glynco, Georgia as a member of class IOBTC -121. When Timmy believed a task had to be accomplished, "HE GOT IT DONE" Tim retired from U.S. Customs and Border Protection on July 28, 2005. Tim was a guiding force for the betterment of all officers at JFK and served on the Board of Directors of "Club Fed" and "JFK Health & Welfare Fund", both before and after retirement. In addition to being a Board Member, Tim has served as President, Vice President, and Director of Retired Members. He will be greatly missed by all.

A local resident for 37 years, Mike was born in the Bronx on August 22, 1946 to the late Charles and Kathleen (McAllyn) Felleman. He was a 1964 graduate of Tolentine High School and a 1968 graduate of Manhattan College. He spent almost 40 years working in the federal government, in Social Security and in US Customs. After retiring from Customs, Mike started a second career as a court officer with New York State. He served in the US Marine Corps Reserve. Mike loved the beach, traveling and was an avid stargazer. He was a doting father and a volunteer in the community, serving as a Cub Scout leader and youth soccer coach. Most of all he loved spending the summer with his friends and family at Westwood Swim and Tennis, where he served as a board member for over 20 years.

Mission Statement

Our purpose is to promote the well-being of all CBP employees at JFK Airport by providing a clean, safe, and comfortable working environment.

Our well being is extended outside the workplace by promotion of social interaction among peers through special activities.

A Message From The Board.....

Welcome everyone to the 2014 Spring Party / Reunion. We are delighted to have so many of the CBP JFK family share in this annual event. Congratulations to this year's retirees and we wish each of you the best of luck in your new beginning. Don't forget to congratulate the retirees as this is a very special night for them especially.

The purpose of this fund is to promote camaraderie amongst the employees of CBP at JFK and this party is just one of the many activities that we organize to do just that. A lot of work went into planning this event and we would like to thank everyone who made it possible; those who sold event and raffle tickets, those who contributed to our first ever journal / yearbook, and to you for coming out tonight and helping to make our workplace a better place to be. So please take advantage of all of tonight's program and enjoy the party.
